

Austin Housing Coalition (AHC) Sponsorship Information

AHC members work to house people experiencing homelessness, repair the houses of low-income homeowners, provide quality affordable rental housing, and empower low-income households to become successful, first-time homebuyers. We are nonprofits, affordable housing developers, housing and policy experts, and other interested organizations, businesses, and residents who support the development of safe, affordable housing for Austin residents.

Sponsorships allow AHC to fund learning, collaboration, and networking opportunities. AHC welcomes corporate sponsors whose work product supports the development or repair of affordable housing. Sponsors are companies who wish to share information about their housing resources with members at AHC events. Corporate Sponsors are welcome at membership meetings but do not have a vote in membership proceedings.

Those interested in Sponsorship should reach out to the Executive Committee for information about how to apply. The Executive Committee reserves the right to decline sponsorship.
